

Who We Are

Frederick Fire & Flood, Inc., is the largest insurance repair and restoration contractor in Frederick County. We serve Maryland, West Virginia and Pennsylvania and work with all major insurance carriers. We have skilled staff trained in every aspect of restoration and we are prepared to complete each job quickly and efficiently. Our goal is to get your life - and home - back to normal with the least amount of disruption to you. We will make sure your home is returned to pre-loss condition and, in most cases, even better condition.

During a time of loss and uncertainty, it's nice to know you can depend on one company to handle everything from start to finish. That company is Frederick Fire & Flood, Inc.

Company Certifications

• IIRC Certification

Our personnel involved in mitigation, water extraction and smoke cleaning are certified by the Institute of Inspection, Cleaning & Restoration.

• EPA/Lead Paint Abatement Certification

• Xactware Software Certified

Our estimators are certified to use Xactware software - the top software solution for calculating the cost of repairs. We provide you a diagram of the rooms and an estimate that includes room-by-room detail of the needed repairs. We keep you updated during the repair process from start to finish.
